

Drama Dawg Theatre Booster Membership

Who we are: The Drama Dawg Theatre Booster Club exists to help support the students and directors in their passion for theatre. This includes both hands on support as well as financial needs.

What we do: The Booster Club assists with many aspects of the theatre program. We volunteer our time to help with publicity, concessions, and box office sales during shows. We also raise money for field trips, costumes, instructional resources, socials, the end of year banquet, and scholarships for graduating seniors. The financial support we provide to the program is equally if not more important than our volunteer time.

Why join: Every membership we receive will directly benefit this department and the students within it. Also, it is fun working with an awesome team of parents who want to help make this program THE BEST!

To become a Booster Club member cost just **\$20** and includes access to early and/or discounted tickets to Drama Dawg Theatre shows throughout the year.

Join today and help support Drama Dawg Theatre!
